## REMEMBERING KENADI

Kenadi Jean Weis was a beautiful young girl who died when she was just 5 1/2 years old. She suffered from a traumatic birth experience and was diagnosed with Infantile Spasms a few months after she was born. She passed away unexpectedly from asymptomatic pneumonia and probably a seizure.

She touched many lives during her brief visit on earth including ours here at pediped. We were introduced to Kenadi when her mother contacted us in need of an over-sized soft-sole Originals shoe. We went on to develop a shoe just for Kenadi and it worked perfectly for her special needs. In fact, Kenadi became known for her adorable pediped shoes.

## Kolor for Kenadi

Kenadi loved butterflies. Help us carry on her amazing spirit with the Kolor for Kenadi package. Simply opt in for the package at checkout and you will receive a butterfly postcard to color at home and return to us here at pediped. It's easy to place in the mail with prepaid postage included. For every butterfly returned, we will donate an extra dollar to the Kenadi Jean Weis Foundation. We will collect the returned butterflies and create a wall here at the pediped office in honor of Kenadi. The butterflies will then be given to Kenadi's family to keep forever.
